

SCIENCE COMMUNICATION BY SCIENTISTS: REWARDED!

SCICOMM*

* Science communication

This infographic is a summary of **the four key recommendations** and corresponding **specific recommendations** from the **SCIENCE COMMUNICATION BY SCIENTISTS: REWARDED!** guide. The guide offers knowledge institutions pointers for Recognising and Rewarding scientists who work systematically on science communication;

it is the final element of the programme with that name. Rewarded! was initiated and funded by the Dutch Ministry of Education, Culture and Science, and implemented by a project group within the Academy under the guidance of the Rewarded! Advisory Board.
